This has involved a consistent sports coach working in school for 2 mornings and lunch times each week. This has enabled a baseline PE assessment of skills for every child in the school from Y1 to Y6. Results of this have led to interventions with certain pupils in target areas. It has also given time for training to be given to groups of pupils to help lead playground activities. The Supercoach programme has also identified key areas for the school to</b>

Team teaching has also once again proved very successful and the improvement in teaching and learning of PE can be seen in the children's ability and increased success in competition again this year. Confidence, understanding and subject knowledge has continued to increase. Teachers have noticed a huge improvement in the children's attitude towards PE and kit is generally remembered. To further develop staff training all teachers took part in a staff meeting on multi skills and the A,B,C's of PE. PE has been given a higher status with the opportunity of having regular external coaches. Tom and Alex are now seen as being part of our school by children, staff and parents. Tom and Alex have also coached teams ready for tournaments. The success of the Supercoach programme and team teaching has been evidenced through ongoing discussions with staff, pupils and coaches, observations and pupil participation and attainment levels. Each year group also evidences PE sessions with photos and videos which are accessible on the shared network.</p> <p>The PE policy is still up to date and risk assessments for PE are on the shared area.</p> <p>Replenishing of lunchtime equipment and the designation of playground leaders for both KS1 and KS2 has encouraged</p>
