## Year 6 SATs Message

We are incredibly proud of our Year 6 pupils following their approach to SATs this week.

Throughout the tests, they have demonstrated fantastic resilience, determination and maturity. Each day, they have tackled every challenge with a positive attitude and a real commitment to *giving it their all*.

Staff have been especially impressed by how focused and calm the children have been, even when faced with tricky questions. Their perseverance and willingness to keep going reflects the hard work they have put in all year.

Well done, Year 6 – you have represented yourselves and the school brilliantly and we couldn't be prouder of you! 🙌

Attendance

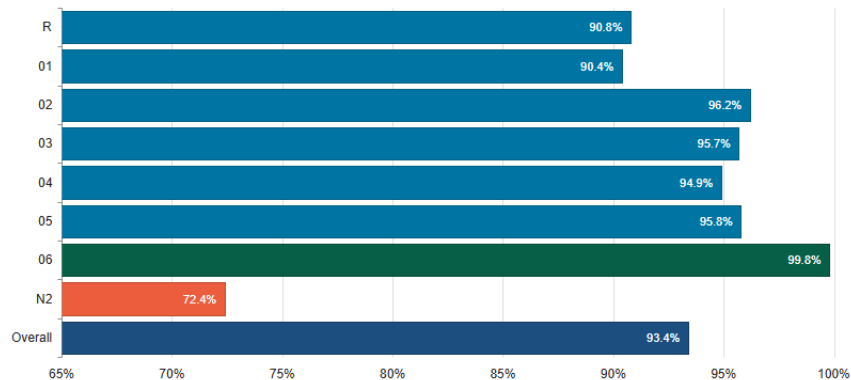

## Whole School Attendance

Attendance

School attendance has dipped again this week to 93.4%

Well done to Year 6 for the best attendance this week at 99.8%!

## Collection from After School Clubs

Please note that from Monday 18th May 2026, all pupils attending any after school clubs (including sports, arts and other activities) will be dismissed by an adult from the main entrance gate on Rosehill, by the roundabout. Parents and carers are asked to wait at this gate, which will be kept locked for safeguarding purposes.

At the end of each club, staff will bring children to the gate and dismiss them directly to their parent or carer.

We kindly ask that you do not press the intercom, as the school office is not staffed at this time of day and we will be unable to respond.

Parents of children attending Care Club have already received separate information regarding collection arrangements. As a reminder, Care Club parents should follow the instructions provided, including calling Care Club to request access when arriving to collect children.

Thank you for your support in helping us maintain a safe and orderly end to the school day.

## Pye Green Academy Facebook

Thank you to all the parents and carers who have already joined and supported our official school Facebook page.

We are delighted to share that we now have 133 parents are now following our page and we really appreciate your engagement.

[Find our Facebook page by clicking here](#)

## Chicken Pox

Across school during the last few weeks, we have had several cases of chicken pox.

Chickenpox is a common infection that spreads easily and mostly affects children. It usually gets better on its own after 1 to 2 weeks without needing to see a GP but can be serious in some people.

Please see the information below from the NHS for more details.
